

# ALICE ET VALENTINE

One volume published

- Complete story

## Pitch :

**Alice and Valentine** are two half-sisters, and they are starting out in the same middle-school... but one of them is a student, and the other is a teacher ! For Alice, its is all about discovering teenage life and the first flutters of love... And for Valentine, it is a trip down memory lane, as she meets again with her high-school sweetheart, who has become a teacher too! The comics is composed of short stories of a couple of pages, with funny and touching anecdotes on life in middle-school, friendship, and solidarity between two sisters who are very close – in spite of the generation gap !
