BOUCAN – Piraaaaates !

One volume published

Pitch :

Three pirates are sailing on the vast ocean : Captain Boucan, who loves gold and getting into fights, his apprentice Ruffian, who is learning the rudiments of piracy by his side, and young Rose, who has eyes only for sparkling jewelry. Our three heroes will experience the most extreme adventures, from being shipwrecked on a desert island to discovering a treasure... They follow the Pirate Code to the letter – but in a roundabout, comical and incongruous way...
