### I'M EXPECTING A CHILD... AND SO DOES MY WIFE

This is the story of Marie and Pierre. She is not really thrilled to be pregnant. He, on the contrary, is delighted! Indeed, he is ready to take everything upon himself: the scans, the tests, the extra weight, the morning sickness... everything! This book tells the story of a 9 months pregnancy, from announcement to delivery. Situations that have been experienced by husbands and wives, told with a bit of humour!
