

## Je suis une vraie fille 1 volume

**I AM A REAL GIRL** – illustrates the experiences of a thirty-something girl who's a bit of a loser, trying to find love (or at least a decent guy...). Using irony to talk about bad dates, emotional hardships and going overboard in all kinds of ways, and above all things being fine with it – that's what it takes to be a real girl! This book is the perfect match between Marion Malabre, a successful blogger, and Lulu Inthesky, a talented illustrator. Tragicomic scenes from daily life that will make you scream with laughter!
