MISTINGUETTE

Serial -5 volumes published

Pitch :

After moving house, Chloé, AKA Mistinguette, will have to start 8th grade in a new school. As a quite reserved girl with a tendency for blunder, will she succeed in becoming popular by hanging out with the most glamorous, cheekiest girls in middle-school? Will she manage to get the handsome Alexandre to notice her?

In this bright and fresh universe, particularly easy to identify with for young female readers, Mistinguette is going to evolve as the story goes by and takes her into a new middle-school, meeting new friends, experiencing joy and heartbreaks... but above all things trying to fit in with the other students while still keeping true to herself. The series transmits values such as friendship, tolerance and family...
