**VIE DE MERDE** – VDM.fr is one of the most visited microblogging website in France. The website has been developed in English as well, under the name “F my life”.

Our comics’ series takes its inspiration directly from these testimonies - always hilarious, sometimes appalling but generally reassuring! Everyone has their “F my life” moments... 19 volumes have been published, assembled under categories such as “exes”, “holidays” or “first times”.
