AMAZIGH

Graphic Novel

Pitch :

AMAZIGH – The Journey of Free Men. An illegal immigrant’s story between Morocco and Spain.

Like many before him, Mohamed, a young undocumented Moroccan, is setting out on a journey to Europe. The crossing is perilous. After arriving in Spain, he will end up in prison, be deported and get extradited to Morocco to be judged. And yet, this nightmare is actually going to bring Mohamed closer to his dream... Back in Morocco, Mohamed is going to go back to school, get into an art school and gradually become the world-famous artist that we know today.

Supported by a delicate and moving drawing, and neither sordid nor simplistic, Amazigh is both a character-driven testimony on illegal immigration and a tribute to the men and women who are trying to proudly bear the name of their people - “amazigh”, or “free man” in the Berber tongue.
